

Co-Sponsor and Support the Paycheck Fairness Act (S. __, H.R. __)

March 23, 2014

Dear Member of Congress:

On behalf of a broad coalition of organizations that promote economic opportunity for women and full enforcement of antidiscrimination laws, we strongly urge you to support and co-sponsor the Paycheck Fairness Act, which will be reintroduced in the 114th Congress. The Paycheck Fairness Act has twice passed the U.S. House of Representatives, and it fell just four votes short of a Senate vote on its merits in the 113th Congress.

Congress took an important step in passing the Lilly Ledbetter Fair Pay Act of 2009. That vital law reverses the Supreme Court's decision in *Ledbetter v. Goodyear Tire & Rubber Co.* and helps to ensure that individuals subjected to unlawful compensation discrimination are able to effectively assert their rights under the federal anti-discrimination laws. But the Lilly Ledbetter Fair Pay Act, critical as it is, is just one of many tools needed to address unfair wage disparities.

The Paycheck Fairness Act updates and strengthens the Equal Pay Act (EPA) of 1963 to ensure that it will provide effective protection against sex-based pay discrimination. Toward that end, the comprehensive bill bars retaliation against workers who voluntarily discuss or disclose their wages. It allows women to receive the same remedies for sex-based pay discrimination that are currently available to those subject to discrimination based on race and ethnicity. And it also provides much needed training and technical assistance as well as data collection and research.

In this tough economy, more and more families are counting on women's earnings. Unfair pay practices make things even harder, especially for those families who rely solely on female earnings. Women continue to be paid, on average, only 78 cents for every dollar paid to men. This persistent wage gap can be addressed only if women and all other workers are armed with the tools necessary to challenge discrimination against them, and employers are provided with effective incentives and technical assistance to comply with the law.

It's time to make real progress on fair pay. We urge you to co-sponsor and work to swiftly pass the Paycheck Fairness Act. If you have any questions, please do not hesitate to contact Fatima Goss Graves, Vice President for Education and Employment at the National Women's Law Center, at (202) 588-5180, Lisa Maatz, Director of Public Policy and Government Relations at the American Association of University Women, at (202) 785-7720, or Deborah J. Vagins, Senior Legislative Counsel at the American Civil Liberties Union, at (202) 675-2335.

Sincerely,
