Source Note: State-level poverty, income and insurance figures come from the 2010 American Community Survey (<http://www.census.gov/acs/www/>). All figures for women are for women 18 and older except for health insurance which is for women 18 to 64. Data on all racial and ethnic groups are not available for all states due to sample size. Poor children living in female-headed families are related children. The overall children's poverty rate includes unrelated children. Unemployment figures for individuals 16 and older come from the Bureau of Labor Statistics (<http://www.bls.gov/lau/table14full10.pdf>).
