

## Get Ready for Election Day

Answer these three questions to get ready to vote.

When are you voting?

---

Are you voting before or after work/school?

---

---

Do you have child care arranged if you need it?

---

---

Where is your polling place? If you need to find your polling place, [you can use Rock the Vote's easy-to-use tool to find your location](#). The tool can also provide with information about when your polling location is open and what, if any, identification you need to vote.

---

---

How are you getting there?

Are you taking public transportation — and if so, what are the best routes to get to your polling place?

---

---

If you are driving or walking, have you mapped out your route on [Google Maps](#) to find out how long it will take you?
