ⁱ National poverty, income and insurance figures come from the 2009 Current Population Survey (<http://www.census.gov/cps/>). State-level poverty, income and insurance figures come from the 2009 American Community Survey (<http://www.census.gov/acs/www/>). Unemployment figures come from the Bureau of Labor Statistics (<http://www.bls.gov/news.release/laus.t03.htm>) and are seasonally adjusted, preliminary numbers for August 2010. The term “families” means families with children. Percent uninsured is for the total population.
