

CHILD CARE & EARLY LEARNING

## STATE CHILD CARE ASSISTANCE POLICIES: ALABAMA

- **Income eligibility limit:** In 2015, a family of three in Alabama could qualify for child care assistance with an annual income up to \$25,728 (128 percent of poverty, 47 percent of state median income).<sup>1</sup>
- **Waiting list:** Alabama had 7,887 children on a waiting list for child care assistance as of February 2015.
- **Parent copayments:** In 2015, a family of three with an income at 100 percent of poverty (\$20,090 a year) receiving child care assistance in Alabama paid \$67 per month, or 4 percent of its income, in copayments.
- **Reimbursement rates:** In 2015, Alabama's reimbursement rates for child care providers serving families receiving child care assistance were below the federally recommended level—the 75th percentile of current market rates, which is the level designed to give families access to 75 percent of the providers in their community.
  - Alabama's monthly reimbursement rate for center care for a four-year-old in the Birmingham region was \$442, which was \$143 (24 percent) below the 75th percentile of current market rates for this type of care.
  - Alabama's monthly reimbursement rate for center care for a one-year-old in the Birmingham region was \$481, which was \$178 (27 percent) below the 75th percentile of current market rates for this type of care.
- **Tiered reimbursement rates:** In 2015, Alabama did not pay higher reimbursement rates for higher-quality care.
- **Eligibility for parents searching for a job:** In 2015, Alabama did not allow parents to receive child care assistance while searching for a job.
