Source: State wage gaps calculated by National Women's Law Center (NWLC) are based on the U.S. Census Bureau 2013-2017. American Community Survey using IPUMS. National wage gap calculated by NWLC is based on 2017 American Community Survey. Figures are median annual earnings for full time, year round workers. Mothers and fathers have at least one related child under 18 at home. White, non-Hispanic mothers and fathers refer to those who have self-identified as white but who are not of Hispanic, Latino, or Spanish origin.
