^{*}State has insufficient data due to small sample sizes to calculate state wage gap for Native American mothers. Source: National wage gap calculated by NWLC based on the U.S. Census Bureau 2021 American Community Survey using IPUMS. State wage gaps calculated based on U.S. Census Bureau 2017-2021 American Community Survey using IPUMS. Mothers and fathers have at least one related child under 18 at home. Native mothers are those who self-identified as American Indian or Alaskan Native. White, non-Hispanic fathers are those who have self-identified as white but who are not of Hispanic, Latino, or Spanish origin.
