*State has insufficient data to calculate full-time, year-round state wage gap for Native Hawaiian and Other Pacific Islander women. Dashes indicate data is not available.

Source: State wage gaps calculated by National Women's Law Center (NWLC) are based on 2018-2022 American Community Survey 5-year estimates. National wage gap calculated by NWLC is based on the 2022 American Community Survey 1-year estimate. What Native Hawaiian and Other Pacific Islander women make for every dollar white, non-Hispanic men make is the ratio of women's and men's median earnings for full-time, year-round workers and for all workers with earnings, including part-time and part-year workers. Ranks based on unrounded data for full-time, year-round workers. People in both surveys self-identified as either male or female. Native Hawaiian and Other Pacific Islander women are those who self-identified in the survey as Native Hawaiian and Other Pacific Islander. White, non-Hispanic men refer to those who have self-identified as white but who are not of Hispanic, Latino, or Spanish origin.
