Source: Table highlights the share of renters living alone in each state who are cost-burdened. Cost-burden renters are those spending more than 30% of their pre-tax income on housing costs. Data were limited to heads of households and single adults without children to highlight disparities. National Women's Law Center calculations based on 2022 ACS IPUMS-USA, University of Minnesota, www.IPUMS.org. Race/ethnicity breakouts for women are not included due to insufficient sample sizes.
