COUNTY OF HUMBOLDT

1 **DECLARATION OF SISTER SHARON BECKER, CSJ, CNM, MSN**

2 I, Sister Sharon Becker, CSJ, CNM, MSN declare:

3 1. I am a member and the chair of the Providence St. Joseph Health Sponsors Council
4 ("Sponsors Council"). I make this declaration on the basis of personal knowledge, including
5 based on review of documents kept by Providence in the ordinary course of business and, if called
6 as a witness, I could and would testify competently thereto under oath.

7 2. I have been a been a member of the Congregation of the Sisters of St. Joseph of
8 Orange for 56 years. As stated on the Congregation's website: "The mission of all Sisters of St.
9 Joseph is a participation in the mission of Jesus: to bring all people into union with God and with
10 one another, serving them according to their needs and their own various gifts, in all the spiritual
11 and corporal works of mercy that may be within the power of the congregation." (See
12 <https://www.csjorange.org/our-mission>).

13 3. I have served as a member of the Sponsors Council since 2018. The Sponsors
14 Council is comprised of members of Providence Ministries and St. Joseph Health Ministry, the
15 two ministries which sponsor Providence St. Joseph Health, and is responsible for stewarding
16 Providence St. Joseph Health institutions as part of Christ's healing ministry and designated as a
17 ministry of the Catholic Church.

18 4. St. Joseph Hospital – Eureka is the first hospital established by the Congregation
19 in California (the "Hospital" or "SJHE"). The Hospital is owned by defendant St. Joseph Health
20 of Northern California, LLC ("SJHNC"). St. Joseph Health System ("SJHS") is the sole member
21 of SJHNC. A true and correct copy of SJHNC's Amended and Restated Operating Agreement,
22 effective January 1, 2025 ("Operating Agreement"), is attached hereto as **Exhibit 1**. SJHNC's
23 Operating Agreement provides, "For so long as SJHS or any of its Affiliates is a Member, the
24 Company and SJHS acknowledge that the Member operates in a manner that is consistent with
25 the SJHS Mission and Core Values and the Roman Catholic moral tradition as articulated *in such*
26 *documents as*" the Ethical and Religious Directives for Catholic Health Care Services (the
27 "ERDS"). (Operating Agreement, § 3.3 (emphasis added)). The ERDs are posted on the
28 Hospital's website in the section on Medical Staff Governance.

3 5. St. Joseph Hospital – Eureka is a Catholic religious hospital, and features Catholic
4 iconography such as the cross and crucifix in the hospital facility and has a chapel where Mass is
5 said regularly and the Sacraments are offered.

6 6. A true and correct copy of the Amended and Restated Bylaws of St. Joseph Health

11 principles of the Roman Catholic Church.” (SJHS Bylaws, § 1.1 a.) The express policy of SJHS
12 is to “[o]perate in accordance with the Congregation’s mission and philosophy of health care and
13 ethical principles of the Roman Catholic Church.” (SJHS Bylaws, § 1.2 b.) Although SJHS is
14 governed by a Board of Trustees, certain powers are reserved to St. Joseph Health Ministry “to
15 further the purpose of the health care ministry of the Congregation, in accordance with the
16 tradition, teachings, spirit and ethical principles of the Roman Catholic Church.” (SJHS Bylaws,
17 § 3.2 a.)

18 7. St. Joseph Health Ministry is a public juridic person established by the Dicastery
19 for Institutes of Consecrated Life and Societies of Apostolic Life, a department within the Roman
20 Curia responsible for, among other things, religious orders and congregations. A true and correct
21 copy of the Canonical Statutes of St. Joseph Health Ministry (“SJHM Canonical Statutes”) is
22 attached hereto as **Exhibit 3** (SJHM Canonical Statutes, Preamble, Art. I). The purpose of SJHM
23 is “to carry forward the healing ministry of Jesus Christ in the Church through the ownership,

25 manner *consistent with the Ethical and Religious Directives for Catholic Health Care Services* as
26 approved by the United States Conference of Catholic Bishops . . . (SJHM Canonical Statutes,
27 Art. II (emphasis added)).

28 8. Among other things, the Bylaws of SJHM provide that the “mission of the St.

1 Joseph Health Ministry corporation is to support the healing ministry of Jesus Christ through
2 sponsorship of St. Joseph Health System.” (SJHM Bylaws, Preamble.) A true and correct copy
3 of the Bylaws of St. Joseph Health Ministry (“SJHM Bylaws”) is attached hereto as **Exhibit 4**.

4 9. Providence St. Joseph Health (“Providence”) is a not-for-profit Catholic health

7 mission statement reads: “As expressions of God’s healing love, witnessed through the ministry
8 of Jesus, we are steadfast in serving all, especially those who are poor and vulnerable.” (See

This Operating Agreement is dated effective as of January 1, 2025 by and between St. Joseph Health Northern California, LLC, a California limited liability company (the “**Company**”) and St. Joseph Health System, a California nonprofit public benefit corporation, as the sole member of the Company (“**SJHS**” or the “**Member**”). Capitalized terms used in the text of this Agreement shall have the meanings ascribed, to them by definition in this Agreement or in Appendix A attached hereto and incorporated herein by this reference.

1. Articles of Organization. Articles of Organization for the Company were filed on October 27, 2016, the date on which the term of the Company began. The Articles of Organization were amended on December 27, 2016.

2. Name. The name of the Company is “St. Joseph Health Northern California, LLC.” The business of the Company may be conducted under that name or, upon compliance with applicable laws, any other name that the Governing Board deems appropriate or advisable, including as to the four hospitals owned and operated by the Company, the following fictitious business names: Providence Santa Rosa Memorial Hospital, Providence Queen of the Valley Medical Center, Providence St. Joseph Hospital (Eureka) and Providence Redwood Memorial Hospital (the “**Hospitals**” or “**hospital ministries**”), subject to the reserved rights of the Member.

3. Purpose.

3.1. Principal Purpose. The principal purpose of the Company is to carry on any lawful business or activity which may be conducted by a limited liability company under the California Revised Uniform Limited Liability Company Act, as amended from time to time (the “**Act**”), including specifically the ownership, maintenance, promotion and operation of the four Hospitals as well as related charitable health programs and businesses, and to exercise all other powers necessary or reasonably connected or incidental to such purpose and business that may be legally exercised by the Company under the Act..

3.2. Agreement Regarding Furtherance of Charitable Purpose. The Company and its Member acknowledge that the Member is a California nonprofit public benefit corporation exempt from taxation pursuant to Federal Tax Code Section 501(c)(3). In this regard, the Company and the Member hereby agree as follows:

(a) The business of the Company shall at all times be operated and managed in compliance with the mission and charitable purposes of the Member within the meaning of Federal Tax Code Section 501(c)(3);

(b) The charitable purposes of the Member shall override any duty to maximize profits and shall serve as a guiding principle for the Member and the Governing Board in their decisions and voting on all matters;

(c) In carrying out its Member's charitable purposes of promoting health and subject to the principle that community benefit overrides any duty to maximize profits, the Company will:

(i) Further the accomplishment of the tax-exempt purposes of the Member by enhancing the quality, availability, convenience, and access of health care services provided within the Service Areas of each of the Hospitals, and by otherwise promoting the general health and well-being of the persons residing in the Service Areas of each of the Hospitals;

(ii) Participate in Medicare and Medicaid programs to the extent permitted by applicable law;

(iii) Will cause Company providers to provide quality health care and health services to all persons needing care without regard to race, creed, color, religion, national origin, citizenship, sex, disability, age, insurance coverage, ability to pay, or all protected classes allowed under federal and state laws;

(iv) abide by a conflicts of interest policy that (1) requires members of the Governing Board to disclose relevant financial interests, (2) provides a procedure for the Company to determine whether a conflict of interest exists and (3) sets forth a process to address any conflicts that arise; such a policy would also address remedial action for members of the Governing Board that fail to comply with the policy;

(v) Act consistently with the charity care policies of the Member to ensure that quality care services are available and provided to all members of the community and that no individual will be denied care by the Company based on the individual's financial status or inability to pay for the full cost of services rendered by the Company; and

(vi) Request that the Governing Board provide to the Member, on an annual basis, a report summarizing the community benefits of the Company, including specifically charity care provided, for said period.

3.3. Compliance with Ethical and Religious Directives. For so long as SJHS or any of its Affiliates is a Member, the Company and SJHS acknowledge that the Member operates in a manner that is consistent with the SJHS Mission and Core Values and the Roman Catholic moral tradition as articulated in such documents as the ERDs.

The Conflicts of Interest Policy shall also provide that a conflict of interest shall not exist with respect to a Manager on account of such Manager's simultaneous service as an officer of a Member and that, as such, Managers shall be able to act on matters presented to the Governing Board for decision with due regard for the interests of such Member, even if such interests conflict with the interests of the Company.

9.3. Designation of Managers.

(a) The Company shall have no less than eleven (11) and no more than seventeen (17) persons ("**Managers**") serving on the Governing Board. The Member shall have the power and authority to appoint the Managers to the Governing Board, subject to the reserved powers of PSJH and using the selection criteria set forth in Appendix B. The President/Chief Executive Officer of SJHS or designee shall serve as an *ex officio* Manager of the Governing Board with the right to vote. SJHM shall designate one (1) individual to serve as a Manager ("Designated Manager"). The designee of St. Joseph Health Ministry shall be, by preference, a member of the Congregation, but may be an otherwise qualified individual.

(b) The term of office of the Managers shall be three (3) years, provided that the then-current Managers shall continue to serve in such capacity until their successors are duly appointed. Designated Managers will not have stated terms in office, but shall serve at the pleasure of SJHS or SJHM, respectively.

(c) Managers may be removed at any time by the Member.

(d) Managers may be re-elected for up to three (3) consecutive terms. Consecutive terms shall not exceed a total of nine (9) years. However, Designated Members shall be *ex officio* voting members of the Governing Board.

(e) Any Manager may resign at any time by giving written notice to the Governing Board without prejudice to the rights, if any, of the Company under any contract to which that Manager is a party. The resignation of any Manager shall take effect upon receipt of that notice or at such later time as shall be specified in the notice; and, unless otherwise specified in the notice, the acceptance of the resignation shall not be necessary to make it effective.

(f) A vacancy shall be declared in a seat on the Governing Board held by a Manager upon the death, disability, resignation or removal of such Manager. The Member shall fill the vacancy by appointing a replacement Manager.

9.4. Performance of Duties; Liability of Managers.

(a) Fiduciary Duties of Managers and Member. Pursuant to Section 17704.09 of the Act (as applicable to a manager-managed limited liability company):

(i) Each Manager owes the Company and the Member the fiduciary duties of loyalty and care.

(ii) Each Manager's duty of loyalty to the Company and the Member is limited to the following: (i) to account to the Company and hold as trustee for the Company any property, profit, or benefit derived by such Manager in the conduct and winding up of the activities of the Company or derived from a use by such Manager of the Company property, including the appropriation of a Company opportunity; (ii) to refrain from dealing with the Company in the conduct or winding up of the activities of the Company as or on behalf of a party having an interest adverse to the Company; and (iii) to refrain from competing with the Company in the conduct or winding up of the activities of the Company.

(iii) Each Manager's duty of care to the Company and the Member in the conduct and winding up of the activities of the Company is limited to refraining from engaging in grossly negligent or reckless conduct, intentional misconduct, or a knowing violation of law.

(iv) Each Manager and Member shall discharge its duties to the Company and the Member under the Act or this Agreement and exercise any rights consistent with the obligation of good faith and fair dealing.

(v) A Manager does not violate a duty or obligation under the Act or this Agreement merely because the Manager's conduct furthers the Manager's own interest.

(vi) Except as provided in the Act or this Agreement, a Member does not have any fiduciary duty to the Company or to any other Member solely by reason of being a Member.

(b) Certain Duties. In reference to the Managers' fiduciary duties under this Agreement, the Member acknowledges and agrees that (i) a Manager appointed to the Governing Board has and will continue to owe a fiduciary duty to the Member that appointed said Manager, (ii) a Manager is not required to disregard or subjugate his or her fiduciary duty to his or her appointing Member in order to meet any fiduciary obligation to the Company, and (iii) no Manager will be in breach of any fiduciary duty for acting consistently with the foregoing. Similarly, any officer or member of a committee of the Governing Board is not required to disregard or subjugate his or her fiduciary duty to his or her employer in order to meet a fiduciary obligation, if any, to the Company, and no such person will be in breach of any such fiduciary duty for acting consistently with the foregoing.

(c) Reliance on Others. In performing its duties, the Governing Board is entitled to rely on information, opinions, reports or statements, including, but not limited to, financial statements and other financial data, of the following persons or groups unless it has knowledge concerning the matter in question that would cause its reliance to be unwarranted, and provided that the Governing Board acts in good faith and after reasonable inquiry when the need therefor is indicated by the circumstances:

(i) One or more officers, employees or other agents of the Company whom the Governing Board reasonably believes to be reliable and competent in the matters presented;

(ii) Any attorney, independent accountant, valuation consultant, or other person as to matters that the Governing Board reasonably believes to be within the person's professional or expert competence; and

(iii) A committee (acting by a majority of its members) designated by the Governing Board, as to matters within its designated authority, if the Governing Board reasonably believes the committee merits its confidence.

(d) Devotion of Time. No Manager is obligated to devote all of his or her time or business efforts to the affairs of the Company, but shall devote whatever time, effort and skill he or she reasonably determines to be necessary and appropriate to satisfy his or her duties and obligations as a Manager.

9.5. No Compensation. Managers shall not be compensated for their services; however, the Company may reimburse the Managers for reasonable travel and other expenses incurred.

9.6. Designation of Officers. The Governing Board may, from time to time, set forth in writing a designation of officers of the Company, delegation to such officers such authority and duties as the Governing Board may deem advisable, and assignment of titles (including, but not limited to, chair, vice-chair, president, chief executive, vice-president, secretary and/or treasurer) to any such officer. Unless the Governing Board otherwise sets forth in writing, if the title assigned to an officer of the Company is one commonly used for officers of a business corporation formed under the California General Corporation Law, the assignment of such title shall constitute the delegation to such officer of the authority and duties that are customarily associated with such office pursuant to the California General Corporation Law. Any number of titles may be held by the same officer. Any officer to whom a delegation is made pursuant to this Section shall serve in the capacity delegated unless and until such delegation is revoked by the Governing Board or such officer resigns.

9.7. Agents. The Governing Board may authorize one or more agents to enter into any contract or to otherwise act on behalf of the Company. Such authority may be general or defined to specific instances, but shall not exceed the authority of the Governing Board under this Agreement. Unless authorized to do so by this Agreement or by the Governing Board, no employee or other agent of the Company shall have any power or authority to bind the Company in any way, to pledge its credit or to render it liable for any purpose.

9.8. Committees.

(a) Committees of the Governing Board. The Governing Board may from time to time establish committees and task forces as it deems necessary or appropriate and may by resolution, policy, or otherwise establish the composition, role, and duties of any committees; provided that, no committee shall have the power to take or approve action requiring approval of the Governing Board or the Member, other than the Executive Committee of the Governing Board (the “Executive Committee”), which shall solely consist of Governing Board members. The Governing Board may delegate to the Executive Committee any of the powers and authority of the Governing Board, provided that the Executive Committee shall have power to act only during interval periods between meetings of the Governing Board. Appointments to and removal from committees will be proposed by Board Chair in consultation with the South Division Chief Executive, and approved by the Governing Board. The rules regarding notice, quorum and valid action of the committees shall be the same in substance as the procedures in Section 9.2(a) (Regular Meetings), Section 10.2(b) (Special Meetings), Section 9.2(c) (Waiver), Section 9.2(d) (Quorum of Meetings; Adjournment), Section 10.2(e) (Voting), Section 9.2(f) (Manner of Acting), Section 9.2(g) (Action by Written Consent), and Section 9.2(h) (Meeting Held by Telephone or Similar Communications Equipment), or otherwise as the Governing Board may agree.

(b) Committees may be formed by the Governing Board, consistent with the Governance Redesign Principles.

(c) Community Ministry Board. The Governing Board may, from time to time, delegate certain Board responsibilities to a Community Ministry Board as set forth in Community Ministry Board Bylaws or by policy. In matters that have been delegated by the Governing Board to a Community Ministry Board, the Community Ministry Board shall have full authority and be accountable to the Governing Board with respect to the matters delegated and shall serve as the governing body of the Corporation’s Ministry for fulfilling such delegated responsibilities consistent with applicable federal and state laws and regulations, meeting Medicare conditions of participation requirements, and fulfilling compliance with The Joint Commission’s requirements. The Medical Staff and Quality of Professional Services functions set forth in Section 14 and Section 15 are hereby delegated to the Community Ministry Boards.

10. Financial Matters.

10.1. Capital Contribution. The initial capital of the Company shall be received by mechanism of the Contribution Agreements. The Member may make additional capital contributions as it deems necessary or desirable from time to time.

10.2. Distributions. The Member may, in its discretion, cause the Company to make distributions of cash or other assets of the Company to the Member from time to time as permitted by the Act.

10.3. Rights of Creditors and Third Parties. This Agreement is entered into between the Company and the Member for the exclusive benefit of the Company, the Member, and their successors and assigns. This Agreement is expressly not intended for the benefit of any creditor of the Company or any other person. Except and only to the extent provided by applicable

statute, no creditor or third party shall have any rights under this Agreement or any agreement between the Company and the Member with respect to any contribution or otherwise.

10.4. Bank Accounts. All receipts, funds and income of the Company shall be deposited in an account or accounts in the name of the Company in such bank or banks as shall be designated by the Governing Board. All such bank accounts shall be owned by the Company, and the signatories for such bank accounts shall be persons designated by the Governing Board. The Governing Board may commingle the monies and funds of the Company with monies and funds of any other entity only pursuant to an appropriate cash management arrangement.

10.5. Accounting Decisions and Reliance on Others. All decisions as to accounting matters, except as otherwise specifically set forth herein, shall be made by the Member. The Governing Board may rely upon the advice of their accountants as to whether such decisions are in accordance with accounting methods followed for federal income tax purposes. Notwithstanding the foregoing, the Company shall be taxed as a corporation exempt from tax under Federal Tax Code Section 501(c)(3).

10.6. Accounting Year. The accounting year of the Company shall end on the last day of December of each year.

11. Accounting and Records. The books and records of the Company, showing the assets and liabilities, revenues and expenditures, and all other aspects of the operations, transactions and financial condition of the Company shall be kept, and the financial position and the results of its operations recorded, in accordance with the accounting method followed for federal income tax purposes. Such books initially shall be kept on an accrual basis; provided, however, that the Governing Board may from time to time change the accounting basis on which such books are kept as may be required or permitted by law. The books and records of the Company shall reflect all Company transactions and shall be appropriate and adequate for the Company's business. At a minimum, the Company shall keep at its principal place of business the following records:

12. Dissolution and Liquidation.

12.1. Events of Dissolution. The Company shall dissolve upon the earlier of:

- (a) the written agreement of the Member;
- (b) the sale, transfer or other disposition of all or substantially all of the Company's assets unless otherwise determined by the Member in writing;
- (c) the entry of a decree of judicial dissolution under the Act; or
- (d) The occurrence of any other event that makes it unlawful, impossible, or impractical to carry on the business of the Company.

12.2. Certificate of Dissolution. As soon as possible following the occurrence of any of the events specified in Section 12.1 (Events of Dissolution), the Member shall execute a Certificate of Dissolution in the form prescribed by the California Secretary of State and file the Certificate of Dissolution as required by the Act.

12.3. Winding Up. Upon the occurrence of any event specified in Section 12.1 (Events of Dissolution), the Company shall continue solely for the purpose of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors. The Governing Board shall be responsible for overseeing the winding up and liquidation of the Company, shall take full account of the liabilities of the Company and assets, shall either cause its assets to be sold or distributed, and if sold, as promptly as is consistent with obtaining the fair market value thereof, shall cause the proceeds therefrom, to the extent sufficient therefor, to be applied and distributed as provided in Section 12.4 (Order of Payments Upon Dissolution). The Governing Board winding up the affairs of the Company shall give written notice of the commencement of winding up by mail to all known creditors and claimants whose addresses appear on the records of the Company.

12.4. Order of Payments upon Dissolution. The proceeds of liquidation shall be applied first to the payment of all known debts and liabilities of the Company to creditors other than the Member, then to the payment of the Company's debts and liabilities to Member, and thereafter as provided in Section 3.4(c) (Dedication of Assets).

12.5. Certificate of Cancellation. The Governing Board shall cause to be filed in the office of, and on a form prescribed by, the California Secretary of State, a certificate of

cancellation of the Articles of Organization upon the completion of the winding up of the affairs of the Company.

13. Medical Staff.

13.1. Organization. The Community Ministry Board of each hospital ministry shall cause to be created a medical staff organization, to be known as the “Medical Staff” of the hospital ministry, whose membership shall be comprised of all physicians, dentists, podiatrists and clinical psychologists who are privileged to attend patients in the hospital ministry. The term “physician” shall include physicians licensed by the State of California regardless of whether they hold an M.D. or D.O. degree. Membership in this medical staff organization shall be prerequisite to the exercise of clinical privileges in each Hospital, except as otherwise specifically provided in the Medical Staff Bylaws.

13.2. Medical Staff Bylaws; the Rules and Regulations.

(a) Purpose. The Medical Staff shall have the initial responsibility to formulate, adopt, and recommend to the Community Ministry Board, Medical Staff Bylaws and the Rules and Regulations for its internal governance by a voting procedure specified in the Medical Staff Bylaws. Medical Staff Bylaws and the Rules and Regulations shall be effective only when approved by the Community Ministry Board, which approval shall not be unreasonably withheld. The Medical Staff Bylaws shall create an effective administrative unit to discharge the functions and responsibilities assigned to the Medical Staff by the Community Ministry Board. The Medical Staff Bylaws and the Rules and Regulations shall state the purposes, functions and organization of the staff and shall set forth the policies by which the Medical Staff exercises and accounts for its delegated authority and responsibilities.

(b) Procedure. Proposed Medical Staff Bylaw changes will be presented to a meeting of the Community Ministry Board and mailed, including electronic mail, to each Community Ministry Board member at least seven (7) days prior to the meeting at which a vote is to be taken on adoption of the proposed change. No Medical Staff Bylaws or amendments shall become effective without approval by the Community Ministry Board as hereinabove provided. If approval is withheld, the reasons for doing so shall be specified by the Community Ministry Board in writing, and forwarded to the Chief of Staff, and the Medical Executive Committee and Bylaws (if applicable) Committee.

(c) The Community Ministry Board may propose amendments to the Medical Staff Bylaws that it considers necessary for compliance with laws or accreditation requirements or for effective operation of any Hospital. Notice of such proposals will be delivered in writing to the Medical Executive Committee of the Medical Staff for consideration and processing. If the Medical Staff informs the Community Ministry Board that it disagrees with the proposed amendments, the Community Ministry Board shall consider and give great weight to Medical Staff recommendations and views during its deliberations, and will initiate the conflict management process set forth in Section 13.6 if such disagreement cannot be resolved informally. If the Medical Executive Committee does not respond to the Community Ministry Board’s proposal within one hundred and eighty (180) days after receiving notice of it, the proposed Medical Staff Bylaws amendments will be deemed approved by the Medical Staff and become effective automatically.

13.3. Medical Staff Membership and Clinical Privileges.

(a) Delegation to the Medical Staff. The Medical Staff shall have the initial responsibility and authority to investigate and evaluate all matters relating to Medical Staff membership, clinical privileges and corrective action, and shall make specific recommendations to the Community Ministry Board, in writing with appropriate supporting documentation, that will allow the Community Ministry Board to take informed action.

(b) Action by the Community Ministry Board. The Community Ministry Board shall consider all Medical Staff recommendations and take final action on all matters relating to Medical Staff membership, clinical privileges and corrective action. If the Community Ministry Board does not concur in a Medical Staff recommendation relative to Medical Staff membership, clinical privileges or corrective action, it shall refer the matter to an ad hoc committee consisting of three (3) members of the Medical Staff; one of whom shall be the Chief of Staff, three (3) non-physician members of the Community Ministry Board, and the Chief Executive Officer of the Hospital, for review and recommendation before a final decision is made by the Community Ministry Board. If the Medical Staff fails to adopt and submit any required recommendation within the time periods set forth in Medical Staff Bylaws, the Community Ministry Board shall act in any event. Such Community Ministry Board action without a Staff recommendation shall be based on the same kind of documented investigation and evaluation of current ability, judgment and character as is required for Staff recommendations.

(c) Criteria for Board Action. When acting on matters of Medical Staff membership, the Community Ministry Board shall consider the Medical Staff's recommendations, the needs of the ministry and the community, and the criteria set forth in the Medical Staff Bylaws and Rules. In determining whether to grant clinical privileges to a practitioner, the Community Ministry Board shall consider the Medical Staff's recommendations, the supporting information on which they are based, and the criteria set forth in the Medical Staff Bylaws. Membership and specific clinical privileges will be considered relative to, among other things, good patient care, professional qualifications, the Hospital's purposes, needs and capabilities, and community needs. Membership and privileges decisions shall be made in a non-discriminatory manner and no aspect of Medical Staff membership or clinical privileges shall be limited or denied to a practitioner on the basis of gender, age, race, creed, color or national origin, handicap or disability and all other protected classes under the federal and state laws.

(d) Terms and Conditions of Staff Membership and Clinical Privileges. The terms and conditions of Medical Staff membership and clinical privileges shall be specified in the Medical Staff Bylaws, and/or the Rules and Regulations (including any Department-specific rules and regulations), or as more specifically defined in the notice of individual appointment. Appointments to the Medical Staff may be for a maximum term of two (2) years.

(e) Procedure. The procedure to be followed by the Medical Staff and the Community Ministry Board in acting on matters of Medical Staff membership, clinical privileges and corrective action shall be specified in the Medical Staff Bylaws.

13.4. Fair Hearing Plan. Any adverse recommendation made by the Hospital's Medical Executive Committee and/or any adverse action taken by the Community Ministry Board with respect to a practitioner's Medical Staff membership, admitting prerogatives or clinical

privileges shall, except under circumstances for which specific provision is made in the Medical Staff Bylaws and/or by contract, be accomplished in accordance with the Community Ministry Board approved Fair Hearing Plan then in effect. Such Plan shall provide for procedure to assure fair treatment and afford opportunity for the presentation of all pertinent information. For the purposes of this Section, an “adverse recommendation” of the Medical Staff Executive Committee and an “adverse action” of the Board shall be as defined in the Fair Hearing Plan.

13.5. Allied Health Professionals. The Medical Staff shall have the initial responsibility and authority to investigate and evaluate each application by an allied health professional for specified services, department affiliation and modification in the services such allied health professional may perform. The Medical Staff or a designated component thereof shall make recommendations to the Community Ministry Board or to its designee on each such application.

13.6. Conflict Resolution between the Medical Staff and the Community Ministry Board. Conflict between the Medical Staff and the Community Ministry Board is resolved according to the Dispute Resolution Policy, as such policy may be amended from time to time, subject to the approval of such policy by the Hospital’s Medical Executive Committee and the Community Ministry Board.

14. Quality of Professional Services.

14.1. Community Ministry Board Responsibility. The Community Ministry Board is ultimately accountable for the safety and quality of care, treatment and services provided at each Hospital. The Community Ministry Board shall require that: (a) the Medical and Administrative Staffs prepare and maintain adequate and accurate medical records for all patients; (b) there is one level of patient care in each Hospital, so that all patients with the same health problems receive the same level of care, consistent with the professional standards of the community and the Hospital, and that no patient is discriminated against on the basis of race, creed, color, age, religion, sex or ability to pay; and (c) the person responsible for each basic and supplemental medical service cause written policies and procedures to be developed and maintained and that such policies be approved by the Community Ministry Board. The Community Ministry Board shall further require, after considering the recommendations of the Medical Staff, the conduct of specific review and evaluation activities to assess, preserve and improve the overall quality and efficiency of patient care in the ministry. The Community Ministry Board shall provide whatever administrative assistance is reasonably necessary to support and facilitate the implementation and ongoing operation of these review and evaluation activities.

14.2. Accountability to the Community Ministry Board. Each Medical Staff shall be accountable to the Community Ministry Board for conducting activities that contribute to the preservation and improvement of the quality and efficiency of patient care provided in each Hospital. These activities shall include:

(a) The conduct of periodic meetings at regular intervals to review and evaluate the quality of patient care through a valid and reliable patient care audit procedure based upon a review of patient medical records;

(b) Ongoing monitoring of patient care practices through the defined functions of the Medical Staff, the other professional services and ministry administration;

(c) Definition of the clinical privileges which may be appropriately granted within the ministry and within each department, delineation of clinical privileges for members of the Medical Staff commensurate with individual credentials and demonstrated ability and judgment, and assignment of patient care responsibilities to other health care professionals consistent with individual licensure, qualifications and demonstrated ability;

(d) Provision of continuing professional education, shaped primarily by the needs identified through the review and evaluation activities;

(e) Review of utilization of the Hospital's medical resources to provide for their allocation to meet the needs of the patients;

(f) Provision of input to and consultation on quality of care issues at the Hospital; and

(g) Such other measures as the Community Ministry Board may, after considering the advice of the Medical Staff and other professional services and ministry administration, deem necessary for the preservation and improvement of the quality and efficiency of patient care.

14.3. Documentation. The Community Ministry Board shall receive, consider and act upon the findings and recommendations emanating from the activities required by Section 14.2. All such findings and recommendations shall be in writing, signed by the persons responsible for conducting the review activities and supported and accompanied by appropriate documentation upon which the Community Ministry Board can take informed action.

15. Indemnification. The Company shall indemnify the Member and each Manager from and against any loss, liabilities, judgments, settlements, penalties, fines or expenses (including legal fees and expenses) incurred in a proceeding to which the Member (and the Member's officers, directors, trustees, members, officers and employees) or a Manager is a party because he, she or it is, or was, a Member or a Manager; *provided*, that a Member or a Manager shall not be indemnified from or on account of acts or omissions of the Member or the Manager finally adjudicated to be a breach of this Agreement, gross negligence or reckless or intentional misconduct or a knowing violation of law by the Member or the Manager, conduct of a Member or a Manager adjudged to be in violation of the Act, or any transaction with respect to which it was finally adjudged that such Member or Manager received a benefit in money, property or services to which such Member or Manager was not legally entitled. The right to indemnification conferred in this Section 16 shall be a contract right and shall include the right to be paid by the Company the expenses incurred in defending any such proceeding in advance of its final disposition; *provided*, that the payment of such expenses in advance of the final disposition of a proceeding shall be made only upon delivery to the Company of an undertaking, by or on behalf of such Member or Manager to repay all amounts so advanced if it shall ultimately be determined that such Member or Manager is not entitled to be indemnified under this Section 16 or otherwise; *provided, further*, no Member or Manager shall be entitled to be paid such expenses in advance of

final disposition in a proceeding that is brought against such Member or Manager by the Company or the Member.

The right to indemnification and payment of expenses incurred in defending a proceeding in advance of its final disposition conferred in this Section 16 shall not be exclusive of any other right any Member or Manager may have or hereafter acquire under any statute, this Agreement, vote of the Member or otherwise.

No repeal or modification of the Act or this Section 16 shall adversely affect any right of a Member or a Manager to indemnification existing at the time of such repeal or modification for or with respect to indemnification related to an act or omission of such Member or Manager occurring prior to such repeal or modification.

The Governing Board may purchase insurance with respect to its indemnity obligations under this Section 16.

16. Limitation of Liability. No Member or Manager shall have liability to the Company or its Member for monetary damages for conduct as a Member or a Manager, except for acts or omissions that involve a breach of this Agreement, gross negligence or reckless or intentional misconduct, a knowing violation of law, conduct violating the Act, or for any transaction from which the Member or the Manager has personally received a benefit in money, property or services to which the Member or the Manager was not legally entitled. If the Act is hereafter amended to authorize Company action further limiting the personal liability of the Member or Managers, then the liability of each Member or Manager shall be eliminated or limited to the full extent permitted by the Act, as so amended. No repeal or modification of the Act or this Section 17 shall adversely affect any right or protection of a Member or a Manager existing at the time of such repeal or modification for or with respect to an act or omission of such Member or Manager occurring prior to such repeal or modification.

17. Miscellaneous.

17.1. Assignment. The Member may assign in whole or in part its membership interest in the Company, subject to the reserved powers of PSJH.

17.2. Governing Law. This Agreement shall be construed and enforced in accordance with the internal laws of the State of California, including without limitation, the Act, without regard to the conflict of law's provisions thereof.

17.3. Amendments. This Agreement may not be amended except by the written agreement of the Member.

17.4. Construction. Whenever the singular number is used in this Agreement and when required by the context, the same shall include the plural and vice versa, and the masculine gender shall include the feminine and neuter genders and vice versa.

17.6. Waivers. The failure of any person to seek redress for violation of or to insist upon the strict performance of any covenant or condition of this Agreement shall not prevent a subsequent act, which would have originally constituted a violation, from having the effect of an original violation.

17.7. Severability. If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application thereof shall not be affected and shall be enforceable to the fullest extent permitted by law.

17.8. Counterparts; Electronic Signature. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same agreement. This Agreement may be executed by facsimile or pdf signature by any party and such signature shall be deemed binding for all purposes hereof.

17.9. Successors and Assigns. Each and all of the covenants, terms, provisions and agreements herein contained shall be binding upon and inure to the benefit of the parties hereto and, to the extent permitted by this Agreement, their respective legal representatives, successors and assigns.

17.10. Entire Agreement. This Agreement, together with Appendices A and B, constitutes the entire Agreement between the parties hereto and supersedes any prior agreements, understandings and arrangements, oral or written, between the parties hereto with respect to the subject matter hereof.

17.11. Notices. All notices, demands, requests, consents, reports, approvals, or other communications which may be or are required to be given, served, or sent pursuant to this Agreement shall be in writing and shall be (i) provided through Electronic Transmission by the Company or Electronic Transmission to the Company, (ii) mailed by first-class, registered or certified mail, return receipt requested, postage prepaid, (iii) hand-delivered, or (iv) delivered by overnight carrier. 4.5 Special Meetings. Special meetings of the Corporate Members may be called at any time by a Corporate Member. If a special meeting is called by any person or persons entitled to call a special meeting, other than by the Board of Trustees, the request shall be in writing, specifying the time of such meeting and the general nature of the business proposed to be transacted, and shall be delivered personally or sent by registered mail or by telegraphic or other facsimile transmission to the President or the Secretary of the corporation. The officer receiving the request shall cause notice to be promptly given to the Corporate Members, in accordance with Sections 4.6 and 4.7 of this Article, that a meeting will be held at the time requested by the person or persons calling the meeting, not less than fourteen (14) days after receipt of the request. Nothing contained in this Section shall be construed as limiting, fixing or affecting the time when a meeting of the Corporate Members called by action of the Board of Trustees may be held.

4.6 Notice of Corporate Members' Meetings. All notices of meetings of the Corporate Members shall be sent or otherwise given in accordance with Section 4.7 of this Article, not less than fourteen (14) nor more than ninety (90) days before the date of the meeting. The notice shall specify the place, date and hour of the meeting, and, (i) in the case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or, (ii) in the case of the annual meeting or a regular meeting, those matters which the Board of Trustees, at the time of giving the notice, intends to present for action by the Corporate Members, provided, however, that any proper matter may be presented for action at such meeting. The notice of any meeting at which Trustees are to be elected shall include the name of any nominee or nominees whom, at the time of the notice, management intends to present for election.

If action is proposed to be taken at any meeting of the Corporate Members to (i) remove Trustees, (ii) fill vacancies on the Board of Trustees, (iii) adopt amendments to the Articles of Incorporation of the corporation or (iv) voluntarily wind up and dissolve the corporation, the notice shall also state the general nature of such proposal.

on the books of the corporation or given by the Corporate Member to the corporation for the purpose of notice. If no such address appears on the corporation's books or is given, notice shall be deemed to have been given if sent to that Corporate Member by first-class mail or telegraphic or other written communication to the corporation's principal office or if published at least once in a newspaper of general circulation in the county where that office is located. Notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by telegram or other means of written communication.

If any notice addressed to a Corporate Member at the address of that Corporate Member appearing on the books of the corporation is returned to the corporation by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver the notice to the Corporate Member at that address, all future notices or reports shall be deemed to have been duly given without further mailing if these shall be available to the Corporate Member on written demand of the Corporate Member at the principal office of the corporation for a period of one (1) year from the date of the giving of the notice.

An affidavit of the mailing or other means of giving any notice of any Corporate Members' meeting shall be executed by the Secretary or an Assistant Secretary and shall be filed and maintained in the minute book of the corporation.

4.8 Quorum. A majority of the voting power, represented in person at any meeting of Corporate Members shall constitute a quorum for the transaction of business. The Corporate Members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Corporate Members to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the Corporate Members required to constitute a quorum.

4.9 Adjourned Meeting: Notice. Any Corporate Members' meeting, annual, regular or special, whether or not a quorum is present, may be adjourned, from time to time, by the vote of a majority of the Corporate Members represented at that meeting, either in person or by proxy; but, in the absence of a quorum, no other business may be transacted at that meeting, except as provided in Section 4.8 of this Article.

When any meeting of Corporate Members, either annual, regular or special, is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place are announced at the meeting at which the adjournment is taken, unless a new record date for the adjourned meeting is fixed, or unless the adjournment is for more than forty-five (45) days from the date set for the original meeting, in which case, the Board of Trustees shall set a

new record date. Notice of any such adjourned meeting shall be given to each Corporate Member of record entitled to vote at the adjourned meeting in accordance with the provisions of Section 4.6 and 4.7 of this Article. At any adjourned meeting the corporation may transact any business which might have been transacted at the original meeting.

4.10 Voting. The persons entitled to vote at any meeting of Corporate Members shall be Corporate Members of the corporation as determined in accordance with the provision of Section 4.13 of this Article. Each such Corporate Member shall be entitled to one vote on each matter submitted to a vote of the Corporate Members. If a quorum is present, the affirmative vote of a majority of the voting power represented at the meeting, entitled to vote, and voting on any matter, shall be the act of the Corporate Members, unless the vote of a greater number is required by the law or by the Articles of Incorporation. Voting agreements between Corporate Members of the corporation shall not be enforced.

Elections of Trustees need not be by ballot unless a Corporate Member demands election by ballot at the meeting and before the voting begins.

4.11 Waiver of Notice or Consent by Absent Corporate Members. The transactions of any meeting of Corporate Members, either annual, regular or special, however called and noticed, and wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each person entitled to vote, who was not present in person or by proxy, signs a written waiver of notice or a consent to the holding of the meeting or an approval of the minutes thereof. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any annual, regular or special meeting of Corporate Members, except that if action is taken or proposed to be taken for approval of any of those matters specified in the second paragraph of Section 4.6 of this Article, the waiver of notice or consent shall state the general nature of the proposal. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Attendance by a Corporate Member at a meeting shall constitute a waiver of notice of that meeting, except when the Corporate Member objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required to be included in the notice, but not so included, if that objection is expressly made at the meeting.

4.12 Corporate Member Action by Written Ballot (Without a Meeting). Any action which may be taken at any annual, regular or special meeting, including the election of Trustees, may be taken without a meeting if (i) the

written ballot of every Corporate Member, is solicited, (ii) the number of ballots cast within the time period specified in the solicitation equals or exceeds the quorum otherwise required to be present at a meeting authorizing the action, and (iii) the number of approvals of the action equals or exceeds the number of votes that would otherwise be required to approve the action at a meeting at which the total number of votes cast was the same as the number of ballots cast.

All such solicitations shall state (i) the number of responses needed to meet the quorum requirement of Section 4.8 of this Article, (ii) the percentage approvals necessary to pass the measure submitted, and (iii) the time by which the ballot must be received in order to be counted.

The form of written ballot shall afford an opportunity on the ballot to specify a choice between approval and disapproval of each matter and shall also contain an appropriate space marked "abstain," whereby the Corporate Member may indicate a desire to abstain from voting on the proposal.

Any Corporate Member casting a ballot may revoke the ballot or substitute another only by a writing received by the corporation prior to the time specified in the solicitation by which a ballot must be received to be counted. Such revocation is effective upon its receipt by the Secretary of the corporation.

4.13 Participation in Meeting by Conference Telephone or Other Communications Equipment. A Corporate Member, acting through the Sponsor's Council, may participate in any meeting by a conference telephone, video conference equipment or similar communications equipment by which all persons participating in the meeting may hear each other, if all participants are advised of the communications equipment and the names of the participants in the conference are divulged to all participants. Participation in a meeting in this manner constitutes presence in person at the meeting.

4.14 Record Date for Corporate Member Notice, Voting and Giving Consents. For purposes of determining the Corporate Members entitled to notice of any meeting of Corporate Members, or entitled to vote at any meeting of Corporate Members, or entitled to cast written ballots or otherwise exercise any rights in respect of any other lawful action, the record date for such determination shall be the thirtieth (30th) day next preceding the date of the meeting or the mailing of ballots or the date on which any other lawful action is to be taken, as the case may be.

The Corporate Members shall have the right to accept or refuse the resignation.

Any oral notice given personally or by telephone may be communicated either to the Trustee or to a person at the office of the Trustee who the person giving the notice has reason to believe will promptly communicate it to the Trustee. Notices of special meetings shall state the purpose of the meeting, and no business shall be conducted at a special meeting except the business specified in the notice of the meeting. The time period for notices of the organizational meeting of the Board of Trustees shall be as stated above, but extended by seven (7) days.

5.11 Quorum. A majority of the authorized number of Trustees shall constitute a quorum for the transaction of business, but if fewer than a majority thereof are present at the meeting, a majority of the Trustees present may adjourn and reconvene the meeting, from time to time, without further notice.

5.12 Validation of Meeting. The transactions of the Board of Trustees at any meetings, however called or noticed, or wherever held, shall be as valid as

All such waivers, consents or approvals shall be filed with the corporate records and made a part of the minutes of the meetings.

5.13 Action Without Meeting. Any action required or permitted to be taken by the Board, under any provision of law, the Articles of Incorporation or these Bylaws, may be taken without a meeting if all Trustees shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of the Trustees. Any certificate or other document filed on behalf of this corporation relating to an action taken by the Board without a meeting shall state that the action was taken by a unanimous written consent of the Board without a meeting, and that the Bylaws of the corporation authorize its Trustees to so act.

5.14 Meeting by Conference Telephone. Members of the Board may participate in a meeting through use of conference telephone or similar communication equipment provided that all Trustees participating in such a meeting can hear one another. Participation in a meeting pursuant to this paragraph constitutes presence in person at such meeting.

5.15 Compensation. The Trustees shall receive no compensation for their services as Trustees.

FOREWORD

It is with great pleasure that we present the 2024 edition of *The Official Catholic Directory*. For over 200 years *The Official Catholic Directory* has provided comprehensive coverage of all the charitable organizations and clergy within the Catholic Church in the United States. To complement this coverage, we have included the “2023 Highlights”, our annual recap of the key events from the past year.

This edition maintains several recent format/layout enhancements for **a)** improved readability and navigation, making it easier for users to locate entities and the clergy, brothers, sisters, and laity that serve those entities; and to **b)** reduce redundancies that increase the page count unnecessarily and causes book binding problems. Among the changes are:

- **Larger Font and Increased “leading” (i.e., vertical space between lines of text)** – These two key changes alone dramatically improve the readability of the OCD.
- **Bolded Entity Names** – Parish, School, Convent, Hospital, etc. names now display in distinctive bold font, and all are left aligned for easier identification.
- **Indented Sub-Orgs** – Sub-orgs are now indented a few spaces, making them more easily distinguished from their parent entities.
- **Enhanced Placement/Grouping** – entities are now consistently grouped by state and city placement headers in all dioceses rather than the less intuitive county groupings used in some dioceses.
- **Underlined Placement Headers** – underlined state and city placement headers make locating entities easier and faster.
- **Standardized Headers** – in Curia and Institutions sections, headers enable the grouping together of like entities. Standardized headers make finding organizations quicker and easier.
- **Recently Closed/Merged Parishes** – Parishes closed within the current or previous year will compose in the directory along with the month/year of closure/merger and any relevant notes.
- **Deacons Index** – a new deacons index will appear online only until we are able to reduce the size of OCD enough to include the deacons index and still meet the maximum page count requirement for binding.
- **Chaplains at non-Catholic Institutions (formerly CPI) / Miscellaneous Assignments** – These sections have been removed from within each diocesan section and are now tracked within the Priests index (i.e., chaplain and miscellaneous assignments will be notated within a priest’s index entry).

Although the Catholic Church in the United States has changed significantly over the past two hundred years, our core mission remains the same: to constantly update and annually publish an accurate listing of all the charitable organizations and clergy of the Catholic Church in the United States. This mission cannot be completed without the help of the United States Conference of Catholic Bishops, other ecclesiastical authorities, and countless diocesan staff members. We owe each a debt of gratitude and would like to conclude this foreword by thanking them for their longstanding cooperation and invaluable assistance to *The Official Catholic Directory*.

Sincerely,

DECLARATION OF DOUGAL HEWITT

I, Dougal Hewitt, declare:

1. I am the EVP and Chief Mission & Sponsorship Officer at Providence Health. I make this declaration on the basis of personal knowledge and, if called as a witness, I could and would testify competently thereto under oath.

2. I joined Providence in 2018 as EVP/Chief Mission Integration Officer. In 2021, I became the EVP/Chief Mission and Sponsorship Officer. In this role, I oversee Mission Integration and formation, spiritual health, ethics, and community benefit as well as serving as a liaison with the Providence St. Joseph Health Sponsors Council. At Providence, “Mission Integration” refers to our commitment to serve as a vibrant ministry of the Church inspired by the legacy of our founding congregations of religious sisters in carrying out our Mission: “As expressions of God’s healing love, witnessed through the ministry of Jesus, we are steadfast in serving all, especially those who are poor and vulnerable.”

3. After the Stipulation and Order dated October 29, 2024 (the “Stipulation”) was entered by the Court, I reached out to Bishop Robert Vasa because I had learned that the Bishop was concerned about accounts of the Stipulation that he had read in the press. Bishop Vasa is the diocesan bishop charged with ensuring that the Catholic hospitals in the Diocese of Santa Rosa (“Diocese”), which includes St. Joseph Hospital – Eureka, comply with Catholic moral and social teaching, including the Ethical and Religious Directives for Catholic Health Care Services (the “ERDs”).

1 4. In response, Bishop Vasa, provided the letter dated November 4, 2024, in which he
2 described in detail the reasons that the Stipulation did not comply with the ERDs. A true and
3 correct copy of Bishop Vasa's letter is attached here to as Exhibit A. I declare under penalty of
4 perjury under the laws of the State of California that the foregoing is true and correct, and this
5 declaration was executed on July 21, 2025 in Seattle, Washington.

Thank you for the conversation today. I appreciate the openness to the concerns which I have expressed and trust that they are your concerns as well. I assure you that I appreciate the kinds of pressures put on Catholic Healthcare organizations and the veritable 'minefield' that must be negotiated. It is precisely because we find ourselves in such a minefield that we must be absolutely certain that the policies and guidelines, whether system-wide or local, which are officially adopted and followed comply with the clearest and most authoritative determinations of the Holy See.

I note in your message to me that you appeal to the *The Ethical and Religious Directives for Catholic Health Care Services (ERDs)* as the source of your decision to comply with the Attorney General as well as the construction of the hospital's internal policies. I am pleased to hear that there is commitment to a fuller appreciation for and application of the ERDs.

At the same time, it seems to me, that the application of the moral principles related to direct and indirect actions is overly simplified and could even be misleading. The fact that secular headlines point out that Saint Joseph's in Eureka has consented to perform abortions in cases of emergency may indicate that the distinctions which are claimed between direct and indirect abortions were not adequately insisted upon in the Agreement with the state. Further, it appears to me that there is, potentially, a faulty understanding of the meaning of direct and indirect as these terms appear in the ERDs.

The Directive at question is Directive 47: "Operations, treatments, and medications that have as their **direct purpose** the cure of a proportionately serious pathological condition of a pregnant woman are permitted when they cannot be safely postponed until the unborn child is viable, even if they will result in the death of the unborn child."

I also mentioned Directive 45 which reads, in part: "Every procedure whose **sole immediate effect** is the termination of pregnancy before viability is an abortion ..." (emphasis added). As I perhaps noted, the meaning of "sole immediate effect" is, in some ways, a definition of "direct" in the moral context. It is not in the realm of "intention" that the "sole immediate effect" is determined but in the action itself. I also called attention to paragraph 81 in the Encyclical of Pope John Paul II, *Veritatis Splendor (VS)*: "If acts are intrinsically evil (such as abortion, my addition), a good intention or particular circumstances can diminish their evil, but they cannot remove it. They remain "irremediably" evil acts; *per se* and in themselves they are not capable of being ordered to God and to the good of the person.... Consequently, circumstances or intentions can never transform an act intrinsically evil by virtue of its object into an act "subjectively" good or defensible as a choice." (VS, 81)

Between 2004 and 2007, Providence Systems of Alaska proposed guidelines in which it was stated, that: “**Prior to viability:** As indicated in directive 47, the early induction of labor prior to viability is permitted in cases where these three conditions are met: 1) the mother has been diagnosed with a serious pathological condition, 2) the purpose of the early induction of labor is the direct cure of the mother’s pathological condition, and 3) it is determined that the early induction cannot be safely postponed until the fetus is viable. The termination of the pregnancy should not be directly intended (Citing Directive 47). Examples of medical conditions under which the early induction of labor prior to viability may be morally permissible include: evidence of chorioamnionitis due to premature and irreversible rupture of the membranes and severe preeclampsia.”

This Guidelines were questioned by Archbishop Schwietz, O.M.I. Archbishop of Anchorage. He requested the insight of the Holy See and (response attached – March 29, 2007) at that time the Congregation for the Doctrine of the Faith replied that the language of a portion of the “Guideline” was “not sufficiently clear”, that it was “necessary to be extremely precise” and directed the guideline to be changed to: “**Prior to viability:** The early induction of labor prior to viability is permitted in cases where these three conditions are met: 1) there has been diagnosed a pathological condition in the pregnancy that immediately endangers the lives of both mother and child, 2) no possibility of saving the life of the child remains, and 3) the early induction of labor is the only alternative to the certain death of both the mother and the child. Indeed, in such cases, the purpose of the early induction of labor is to save the only life that can be saved, that of the mother. Medical situations, in which the early induction of labor – prior to viability of the foetus – can be considered morally permissible (the conditions indicated being fulfilled), may arise, for example, in cases of chorioamnionitis due to premature and irreversible rupture of the membranes, or of severe preeclampsia.”

The agreement with the Attorney General of California has very different language: “Providence Hospital specifically agrees to:

- a. **Continue** to allow its physicians to terminate a patient's pregnancy (via induced labor, a **Dilation and Evacuation procedure**, or **any other procedure** that the relevant personnel are licensed and qualified to perform and for which Providence Hospital has the physical facilities to accommodate) whenever the treating physician(s) determine in their professional judgment that failing to immediately **terminate the pregnancy** would be reasonably expected to:
- b.
 - i. Place the patient's health in serious jeopardy;
 - ii. Result in serious impairment to the patient's bodily functions; or
 - iii. Result in serious dysfunction of any bodily organ or part of the patient.”

Note the grave discrepancies between the directive from the Holy See and the language of the stipulation: Place the patient's health in serious jeopardy versus there has been diagnosed a pathological condition in the pregnancy that immediately endangers the lives of both mother and child. There is a huge difference between accepting an action as necessary to protect the life of the mother or child and placing a patient’s health in serious jeopardy. Note it says “health” not “life”. This would be construed as abortion on demand when the health of the mother is compromised.

The language of the stipulation: “Result in serious impairment to the patient's bodily functions” versus “no possibility of saving the life of the child remains”. Note that between i and ii in the stipulation there is an implied “or” which would mean that any one of the three reasons would suffice to justify the abortion. The response of the Holy See is explicit: “The early induction of labor prior to viability is permitted in cases where **these three conditions are met.**”

The language of the stipulation continues with another, “or”: “Result in serious dysfunction of any bodily organ or part of the patient” versus “the early induction of labor is the **only alternative to the certain death** of both the mother and the child.”

Finally, I note that the response of the Holy See, while the question surfaced in Anchorage, is directed to the entire Providence System with the request from Cardinal Levada, Prefect of the Congregation for the Doctrine of the Faith, that “the guidance contained therein is faithfully applied in the Facilities of *Providence health System.*”

Finally, I know that the questions which have arisen as a result of the Attorney General's action with regard to Providence / St. Joseph in Eureka have come to the attention of practically every Bishop where Providence Systems operate. I understand the assertion that the agreed upon stipulation of the Attorney General applies only to Providence / Saint Joseph in Eureka but the more difficult reality is that there appears to be operational guidelines at the System Level which would directly impact every diocese and bishop where Providence and Providence / Saint Joseph hospitals are located. I trust that they will look to me for an explanation of what I am doing about Eureka and, in brotherly solidarity with them, I do need to inform them of what I now write to you. It is not possible for me to delay such a transmission indefinitely. While I have no desire to cause undue difficulty, I do need to propose to my brother bishops the realities of the matters at hand.

For my part I believe it is necessary to point out how the Agreement

Sincerely yours in Christ Jesus,

The Most Reverend Robert F. Vasa,
Bishop of Santa Rosa in California

1 **DECLARATION OF THE MOST REVEREND ROBERT F. VASA**

2 I, Most Reverend Robert F. Vasa, declare:

3 1. I am the Bishop of the Roman Catholic Diocese of Santa Rosa. I was appointed
4 head of the Roman Catholic Diocese on June 30, 2011. I make this declaration on the basis of
5 personal knowledge and, if called as a witness, I could and would testify competently thereto
6 under oath.

7 2. The Diocese of Santa Rosa (“Diocese”) is comprised of six counties across the
8 northern region of California, including Humboldt County, the place of St. Joseph Hospital. As
9 Bishop of the Diocese, I carry on the work of the Apostles and I am responsible for the pastoral
10 and spiritual care of my Diocese. In the Diocese, I perform the triple apostolic functions of
11 teacher of doctrine, priest of sacred worship and pastor of church governance. Under the Code of
12 Canon Law, I am responsible for assuring the “Catholicity” of the Catholic entities or
13 organizations operating within my Diocese. I am also responsible for teaching and implementing
14 matters of Canon Law, moral theology, and religious doctrine, which encompasses Catholic
15 moral and social teaching, including ensuring adherence to the Ethical and Religious Directives
16 for Catholic Healthcare Services (the “ERDs”) in the Diocese.

17 3. St. Joseph Hospital – Eureka (“SJHE”) is a Catholic hospital, sponsored by the St.
18 Joseph Health Ministry, which is located within my Diocese. SJHE is listed in the Official
19 Catholic Directory, in the section maintained for the Diocese of Santa Rosa, which identifies
20 SJHE as an official apostolate of the Catholic Church.

21 4. Under Canon Law, I exercise my duty to ensure the moral and religious identity
22 (Catholicity) of Catholic health care institutions located within the Diocese. My ecclesiastical
23 authority includes interpreting and applying the ERDs in the Diocese. I am also charged with
24 guarding against abuses and coordinating all works of the apostolate in my Diocese. It is my
25 responsibility to ensure that all Catholic hospitals in my Diocese are following Catholic principles
26 both in name and in fact. As a Catholic hospital, SJHE (in the same manner as other Catholic
27 hospitals within my Diocese) is required to adhere to the ERDs, as promulgated by the United
28 States Conference of Catholic Bishops. My expectation is that every Catholic organization

1 providing health care services within my Diocese, including SJHE, will fully comply with the
2 ERDs. Catholic health care and the ERDs are rooted in, and express, Jesus's ministry to heal the
3 sick which is carried on throughout the United States by apostolic women religious such as the
4 Sisters of St. Joseph of Orange who started the first hospital in Eureka, California in 1920 and has
5 served the people of Humboldt County ever since.

6 5. I reviewed the Stipulation and Order (the "Stipulation") entered by the Court on
7 October 29, 2024 in the matter of The People of the State of California against St. Joseph Health
8 Northern California, LLC, Case No. CV2401832, in the Superior Court of Humboldt County.

9 6. I was not aware of the Stipulation until it was entered and when I read it, it was
10 clear to me that it is irreconcilable with SJHE's obligation to comply with the ERDs.
11 Accordingly, immediately after I reviewed the Stipulation, I wrote a letter to Dougal Hewitt, EVP
12 and Chief Mission & Sponsorship Officer at Providence Health. In the letter, I explained why the
13 Stipulation does not comport with the ERDs. I pointed out a number of specific concerns. A true
14 and correct copy of my letter to Dougal Hewitt is attached to the Declaration of Dougal Hewitt
15 as Exhibit 1. To resolve these concerns the Stipulation must either be terminated or modified to
16 include an exception for the application of the ERDs on a case-by-case basis.

17 I declare under penalty of perjury under the laws of the State of California that the
18 foregoing is true and correct, and this declaration was executed on July 17, 2025 in Santa Rosa,
19 California.

I certify the information contained in this electronic application or any electronically signed documents submitted as part of my application process were either directly submitted by me or caused to be submitted by me and are accurate and complete.

I further acknowledge that I am responsible for knowing the contents of the existing bylaws and governance documents of the Organizations and their medical/professional staffs, including any revisions, changes or amendments thereof and agree to be bound by them if granted membership and/or privileges or affiliation during the period of my appointment, including all consents, releases, authorizations and indemnifications granted to Organizations and to those persons and/or parties who provide information or documents to Organizations, as described in their respective medical staff bylaws, governance documents, and related policies.

I further understand and acknowledge that St. Joseph Health System Centralized Credentials Verification Organization ("CCVO"), acting as a contractor for the Organizations, will investigate the information in this Application. By submitting this Application, I agree and consent to such investigation activities of CCVO as follows:

Authorization of Investigation and Release of Information Concerning Application for Appointment. I authorize and release from liability all individuals, institutions and entities, including but not limited to administrators and members of the medical/professional staffs of other facilities, organizations or institutions with which I have been associated and all professional liability insurers with which I have had or currently have professional liability insurance, who have knowledge concerning information requested in this Application, to consult with and release relevant information to CCVO and Organizations, their medical/professional staffs, credentialing committees and agents, provided that such information is delivered in good faith and without malice, and upon discovery of any errors, the aforementioned agents take reasonable corrective action.

Release from Liability. I hereby release from any and all liability, to the fullest extent allowed by law, Organizations, CCVO, and their respective agents for acting on information I provide directly in accordance with the authorizations contained herein for their acts and statements in connection with the investigation for this Application for Appointment, provided that acts and statements are performed and delivered in good faith and without malice, and upon discovery of any errors, the aforementioned agents take reasonable corrective action. Furthermore, I hereby release from any and all liability, to the fullest extent allowed by law, the Organizations, CCVO, and their respective agents and all other individuals, institutions and entities providing information in accordance with the authorizations as previously mentioned in connection with the investigation for this Application for Appointment, provided that such information is delivered in good faith and without malice, and upon discovery of any errors, the aforementioned agents take reasonable corrective action. These releases shall be cumulative and in addition to any other applicable immunities provided by law for medical care review activities, and those provided in medical staff bylaws and governance documents of the respective Organizations to which I am applying.

Use of Information. I acknowledge that part of the information to be provided by me is for identification purposes only and will not be used to form the basis of decisions regarding medical/professional staff membership or credentialed status.

I understand and agree that the authorizations I have provided are irrevocable so long as I am an applicant for or have medical/professional staff privileges at or am affiliated with any Organizations participating in CCVO's central verification services.

I acknowledge that the investigation of information in this Application by the Organizations, CCVO and their agents is done to achieve, maintain and improve quality patient care.

I agree to provide continuous care for each of my patients and recognize my responsibilities therein.

I will notify the Organizations and/or their agents within 10 days of any material changes to the information provided in my application or authorized to be released pursuant to the credentialing process. I understand that corrections to the application are permitted at any time prior to a determination of membership and/or privileges or affiliation by the Organizations, and must be submitted on-line or in writing, and must be dated and signed by me. I also understand, however, that any significant misrepresentation, misstatement in, or omission from, my application shall constitute grounds for the denial of my application, and that the Organizations retain the right to invoke this admonishment notwithstanding any such corrections.
